The brand-new Mural in the art room is coming along quite nicely. Paula has been hard at work with her two eager helpers Peta and Keeley.

Everyone in the Centre is looking forward to seeing the finished product.

Stay tuned for next month's issue of Konnect to see the finished product!

# Key to Success

Le-Anne was super proud when she finished her Key Hook this month in our Working with wood class. Cut, sanded, painted and screwed she did an excellent job and the result was fantastic. Le-Anne was excited to show all the staff her finished product.

All the key holders that have been produced, no one from Kith and Kin will be losing their keys anytime soon!

Cartoon portraits with Andrew has been full of laughs throughout the month, everyone loved seeing what they would look like in cartoon form!

It was a new experience for some to get in and have a go at drawing, they loved how freely cartoon is interpreted though! Everyone left the class laughing at each other and themselves and it is becoming more and more popular each week!

# It's time to rhyme

Kith and Kin's Poetry group has been a huge hit, starting only this month it is quickly becoming one of our most popular activities. Ran by the very passionate Andrew, he performs famous poetry and then teaches the principles of poems. The clients have loved being able to learn a whole new art form and have been rhyming their hearts out. It has been great to see everyone so excited by one of our new activities.

## Valentine's Day Poem by Peta

To my friend on Valentine's day,  
As you know, its valentine's day,  
As a friend, you're just okay,  
I'm kidding with you of course,  
You're great and you're a positive force,  
On this day, I just wanted to say to you,  
I hope our friendship stays mad and true  
There is no other friend for me,  
When we're together I'm so happy,  
Now I've said this message to you,  
I hope that you believe it's true,  
Friendship will come and friendship will go,  
Share this message so they'll know.

Kind Regards,  
Your Friend.

## Beauty School, cool!

Our beauty group experimented with make up this month with some wonderful results! The girls all ended up having a complete makeover, they all enjoyed learning how it all worked and getting to try it out. The lovely student we had was happy to get in and give it a go, giving Peta a very subtle and fashionable look. Keeley was next giving Tahvy a makeover and how she loved her new look!

Everyone saw just how much fun it was that even Michael got involved with some pretty pink lipstick making his beard POP!

They all looked so beautiful when the class was finished and were excited to go home and show their families.

## Wish for a FISH

Brodie had a great time when he and Stephen went fishing, Brodie was full of pride holding up his prized catches.

With so many birthdays this month we ended up having two amazing birthdays here in the Centre. First up was Matty who brought in a delicious ice cream cake and shared it with all his friends. Next was the lovely Penny who had a whole party, we had party pies, cocktail frankfurts and of course a lovely cake. It was a great month of birthdays this month and we hope everyone enjoyed theirs.
